

Quarterly Operations Report

Summary of the quarter

Revenue rose across every region we operate in during the quarter, with the strongest growth recorded in the eastern province, where two new suppliers came online ahead of the schedule agreed in March.

Regional detail

- Riyadh: 1,204 units
- Jeddah: 880 units
- Dammam: 356 units

Next steps

1. Close the books for the quarter.
2. Circulate the summary to the board.
